

Want to Join the Marshal Lane Band at school?

Begins Sept. 9th. \$368

We are a network of musicians and educators who strive to spread the joys of the arts in our community! At **Modern MindED**, we are passionate about music's ability to empower children of all ages! This is apparent by our band's inspirational performances for the school and parents, twice, each year—which demonstrate the true power music has to unite us all. We currently have premier programs across the South Bay at schools like; Noddin, Almaden Country Day School, Marshall Lane, Nimitz, Los Alamitos and more!

Open to students in grades 2nd-5th during the 2019-2020 school year!

- Flute
- Clarinet
- Alto Saxophone
- Trumpet
- Percussion

We don't just teach children how to **play an instrument and read music**. We increase **memory** while helping to **improve coordination, math, reading and comprehension skills**.

In band, students learn **perseverance** with a valuable sense of **achievement** and, while experiencing the rich **culture and history**, learn a strong sense of **responsibility**. We all know music **nurtures self-expression**, it's important to remember, it also improves **student's listening and social skills**.

After our band camp days, regular schedule is as follows:

Advanced- Mon. 2:45-3:30

Beginners- Wed. 1:45-2:30

The "Modern MindEd" band program has been a comprehensive, positive band program at the Noddin Elementary campus....the kids have made leaps and bounds in their music ability and skill!" -Eric Scharer, Principal Noddin Elementary
