## CLASS DESCRIPTIONS

- Academic Chess:** This class is offered through an outside contractor. Watch your communications envelope for more details on how to register, time and cost for each session. Visit [www.academicchess.com](http://www.academicchess.com) for more information.
- Art:** Work with various mediums in both 2D & 3D to create & learn about different cultures from around the world.
- Basketball:** Learn the basics of basketball in a fun after school setting. Learn sportsmanship & different basketball routines while having fun. Class size is limited to 20 students.
- Beginning Spanish:** Students will learn the basics of speaking Spanish. Class size is limited to 16 students.
- Coding 101:** Learn the basic concepts & skills needed in the computer coding by understanding Python & Java coding language.
- Engineering: Taking it to the Skies:** The Junior Aerospace Engineering classes introduce our youngest engineers to fundamental concepts of aircraft and spaceship design. Through open and focused exploration, students explore and construct airplanes, rockets, hot air balloons, and more. **Up, Up & Away:** During the Aerospace Engineering classes, students use the Engineering Design Process to design, create, test, and refine a variety of flying machines. They construct a shock absorbing system designed to protect two marshmallow astronauts in a lunar vehicle, create their own air-powered rockets, and assemble a hot air balloon model that actually takes flight!
- Hip Hop:** If you love music and want to learn the latest dance moves Hip Hop is the class for you. Taught by a dance instructor students will learn the basics of Hip Hop while getting out energy and having fun with friends.
- Lego Robotics:** An excellent introduction to buddy builders & key simple machines concepts while building teamwork & communication skills. Discover physical science models such as gears, pulleys, levers, axels & wheels through observation, prediction, reasoning & critical thinking.

**\*\*There must be a minimum of 12 students enrolled to hold the class\*\***
